---	------------------------------------

ORDER APPROVING TARIFF AND ISSUING CERTIFICATE

(Issued April 13, 2004)

On January 15, 2004, XO Network Services, Inc. (XO), filed a proposed local exchange tariff with the Utilities Board (Board) providing the terms, conditions, and rates for local exchange service in the listed exchanges. Revisions to the proposed tariff were filed on March 18, 2004, and March 31, 2004. The proposed tariff and its revisions have been identified as Docket No. TF-04-15.

On December 17, 2003, the Board issued an order in Docket No. TCU-03-17 approving XO's application to provide service in the listed exchanges and approving concurrence in the exchange maps filed by Qwest Corporation. The order stated that a certificate would be issued when XO obtained an approved tariff setting forth the prices, terms, and conditions of local exchange service in Iowa. XO requests the Board approve the proposed tariff and grant it a certificate to provide service in the listed exchanges.

The Board has reviewed the proposed tariff and finds it substantially complies with Board rules for the filing and processing of tariff pages. The tariff contains the

rates for both business and residential customers. Notice was provided to all affected carriers. The Board will approve the tariff effective the date of this order and issue XO a certificate of public convenience and necessity concurrent with this order.

IT IS THEREFORE ORDERED:

1. The tariff filed by XO Network Services, Inc., on January 15, 2004, and its revisions filed on March 18 and 31, 2004, are approved effective the date of this order.
2. A certificate, identified as Certificate No. 0280, is being issued to XO Network Services, Inc., concurrently with this order.
